Those revisions were adopted by Resolution of the Board of Commissioners of the Wayne Metropolitan Housing Authority on March 1, 2024. A revised rough draft of the Public Housing Program Admission and Continued Occupancy Policy to address the requirement of the VAWA is planned to be presented to the Board of Commissioners before October 1, 2024. Wayne MHA notified residents of the Public Housing Program and the Section 8 Housing Choice Voucher Program through written mail of the requirements of the Violence Against Women Act in May of 2007, and also incorporated that information in its Housing Choice Voucher briefings and Public Housing lease signing. Residents and applicants are also provided online documentation, VAWA information, and agency listings through their own personal online portal. All staff working with clients of the Public Housing Program and Section 8 Housing Choice Voucher Program were given training and all necessary information regarding the Act. Periodic recurrent training will be scheduled as appropriate. Wayne MHA does not offer any "activities, services or programs" that are intended to specifically help child or adult victims of domestic violence, dating violence, or stalking other than that required by law or regulation. Wayne MHA always makes appropriate referrals when victims of domestic violence, dating violence, or stalking are identified. Wayne MHA has a working relationship with OneEighty and Every Woman's House, a local domestic violence shelter, that provides 24-hour services to child and adult victims of domestic violence, dating violence, sexual assault, and bullying. They provide a full range of crisis intervention, treatment, counseling, prevention and support services to individuals and families impacted by domestic violence and/or sexual assault. All services available through Every Woman's House are also available to male victims. Wayne MHA staff also refers clients to Victims Advocate, Anazole Community Partners, and Salvation Army. **B. Plan Elements Submitted with 5-Year PHA Plans.** Required elements for Small PHAs completing this document in years in which the 5-Year Plan is also due. This section does not need to be completed for years when a Small PHA is not submitting its 5-Year Plan. See sub-section below for required elements in all other years (Years 1-4).

**B.1 Revision of Existing PHA Plan Elements.**  
 (a) Have the following PHA Plan elements been revised by the PHA since its last Five-Year PHA Plan submission?

- Y N
- Statement of Housing Needs and Strategy for Addressing Housing Needs.
  - Deconcentration and Other Policies that Govern Eligibility, Selection, and Admissions.
  - Financial Resources.
  - Rent Determination.
  - Homeownership Programs.
  - Substantial Deviation.
  - Significant Amendment/Modification

(b) If the PHA answered yes for any element, describe the revisions for each revised element(s):

**Statement of Housing Needs and Strategy for Addressing Housing Needs.**  
**Statement of Housing Needs and Strategy for Addressing Housing Needs:** Wayne Metropolitan Housing Authority (Wayne MHA) hopes to use Local, Non-Traditional Activities to address the local need for housing. Based on Waiting List applications 1 and 2- bedroom units are still the most needed. Current zoning restrictions labeled as Residential Traditional (RT) limits the development of more housing options. Wayne MHA continues to work with the local Realtors, City and County Officials to change zoning practices and search for future land to develop affordable housing. Wayne MHA plans to reposition it's 224 Public Housing (Section 9) units by reviewing different options, and associated planning considerations available to Wayne MHA. The focus is on converting these properties currently assisted under the Public Housing Program platform to the Section 8 Program or other platforms. The Section 8 platform shares many of the same tenant eligibility requirements, resident protections, and rent computations as Public Housing but is generally considered to be a more stable financial platform and, because of this stability, provides a more reliable income stream for operations and maintenance and better attracts private investment for capital needs of the property. Repositioning plans that may include but not limited to Tax Credits, Rental Assistance Demonstration (RAD) conversion, disposition, and/or Streamline Voluntary Conversion (SVC).

**Deconcentration and Other Policies that Govern Eligibility, Selection, and Admissions.**  
 Wayne Metropolitan Housing Authority (Wayne MHA) revised and updated the Administrative Plan for its HCV program and the Admissions and Continued Occupancy (ACOP) for Public Housing that added elements from the Housing Through Modernization Act (HOTMA). Tenant Selection Plans were revised and updated for our Interfaith Multi-family property and Secrest Village Section 202 PAC/PRAC property under HOTMA. Implementation and compliance of HOTMA regarding eligibility will be in accordance to PIH Notice 2023-27 and aligned with the Housing Information Portal (HIP), Yardi (software vendor) and Housing of Urban Development (HUD) guidance regarding an implementation timeline.

**Rent Determination.**  
 The Admission and Continued Occupancy Policy and Administrative Plan for Wayne MHA's Public Housing and Housing Choice Voucher were updated to include elements of the Housing Through Modernization Act of 2016 (HOTMA). Implementation and compliance of HOTMA regarding rent determination will be in accordance to PIH Notice 2023-27 and aligned with the Housing Information Portal (HIP), Yardi (software vendor) and Housing of Urban Development (HUD) guidance regarding an implementation timeline

(c) The PHA must submit its Deconcentration Policy for Field Office review.

**Deconcentration and Other Policies that Govern Eligibility, Selection, and Admissions.**  
**DECONCENTRATION OF POVERTY AND INCOME-MIXING** The Wayne Metropolitan Housing Authority's (WMHA) admission policy is designed to provide for de-concentration of poverty and income-mixing by bringing higher income residents into lower income projects and lower income residents into higher income projects. Nothing in the deconcentration policy relieves the WMHA of the obligation to meet the income targeting requirement. Gross annual income is used for income-limits at admission and for income-mixing purposes. Deconcentration and Income-Mixing Goals The WMHA's deconcentration and income-mixing goal, in conjunction with the requirement to target at least 40% of new admissions to the public housing in each fiscal year to "extremely low-income families", will be to admit families above the WMHA's Established Income Range (EIR) to developments below the EIR, and families below the WMHA's EIR to developments above the EIR. Deconcentration applies to transfer families as well as applicant families. Project Designation Methodology Annually, the WMHA will determine on an annual basis the average income of all families residing in general occupancy developments. The WMHA will then determine the average income of all families residing in each general occupancy development. The WMHA will then determine whether each general occupancy development falls above, within or below the Established Income Range (EIR). The EIR is 85% to 115% (inclusive of 85% and 115%) of the WMHA-wide average income for general occupancy developments. The WMHA will then determine whether or not developments outside the EIR are consistent with local goals and strategies in the WMHA Plan. Any deconcentration policy as needed is described in the WMHA Plan. The WMHA may explain or justify the income profile for these developments as being consistent with and furthering two sets of goals: 1. Goals of deconcentration of poverty and income-mixing (bringing higher income families into lower income developments and vice versa); and 2. Local goals and strategies contained in the WMHA Plan. Deconcentration Policy Depending on local circumstances, a WMHA's deconcentration strategy, included as part of the WMHA's admissions policy, include but not limited to one or more of the following" Potential Deconcentration Incentives 1. Providing incentives designed to encourage families with income below the Established Income Range (EIR) to accept units in developments with incomes above the EIR (or the reverse situation). Incentives include: Rent incentives Affirmative marketing plans 2. Establish a preference for admission of working families in developments below the EIR. 3. WMHA's may skip a family on the waiting list to reach another family in an effort to further goals of the WMHA's deconcentration policy. Skipping to promote deconcentration shall be an adverse action. Strategies to promote Deconcentration: Right to return to former unit within one year Family's have discretion to refuse a unit with no loss of place on wait list Relationship to income targeting requirement Fair housing requirement must be met Nondiscrimination in administration of program Affirmatively furthering fair housing Deconcentration Compliance If, at annual review, the average incomes at all general occupancy developments are within the Established Income Range, the WMHA will be considered to be in compliance with the deconcentration requirement.;

**B.2 New Activities.**  
 (a) Does the PHA intend to undertake any new activities related to the following in the PHA's current Fiscal Year?

- Y N
- Hope VI or Choice Neighborhoods.
  - Mixed Finance Modernization or Development.
  - Demolition and/or Disposition.
  - Conversion of Public Housing to Tenant Based Assistance.
  - Conversion of Public Housing to Project-Based Rental Assistance or Project-Based Vouchers under RAD.
  - Project Based Vouchers.
  - Units with Approved Vacancies for Modernization.

Other Capital Grant Programs (i.e., Capital Fund Community Facilities Grants or Emergency Safety and Security Grants).

(b) If any of these activities are planned for the current Fiscal Year, describe the activities. For new demolition activities, describe any public housing development or portion thereof, owned by the PHA for which the PHA has applied or will apply for demolition and/or disposition approval under section 18 of the 1937 Act under the separate demolition/disposition approval process. If using Project-Based Vouchers (PBVs), provide the projected number of project-based units and general locations, and describe how project basing would be consistent with the PHA Plan

**Demolition and/or Disposition.**

Wayne Metropolitan Housing Authority intends to dispose of the Public Housing property Townview Terrace, Parcel ID 64-02236.000 located at 200 South Market Street, Wooster, AMP OH03600011. Timeframe for Disposition application submission to SAC is by 12/31/2024. Townview Terrace is a state licensed Assisted Living Facility which is contracted by Tri State Home Health LLC who depends on Area Agency on Aging for potential resident referrals. This procedure and low demand has been causing the monthly occupancy rate to average closely to 93% which is below Wayne Metropolitan Housing Authority and HUD standard of 96%. This is causing an infeasible operation and no longer effective as a public housing building. Screened potential private residents on the waiting list are continuing to refuse being housed at Townview Terrace due to the fact the atmosphere is similar to a nursing home.

**Conversion of Public Housing to Tenant Based Assistance.**

Wayne MHA plans to reposition it's 224 Public Housing (Section 9) units by reviewing different options, and associated planning considerations available to Wayne MHA. The focus is on converting these properties currently assisted under the Public Housing Program platform to the Section 8 Program or other platforms. The Section 8 platform shares many of the same tenant eligibility requirements, resident protections, and rent computations as Public Housing but is generally considered to be a more stable financial platform and, because of this stability, provides a more reliable income stream for operations and maintenance and better attracts private investment for capital needs of the property. Repositioning plans that may include but not limited to Tax Credits, Rental Assistance Demonstration (RAD) conversion, disposition, and/or Streamline Voluntary Conversion (SVC).

**Project Based Vouchers.**

The Wayne Metropolitan Housing Authority is planning to develop Permanent Supportive Housing that may need PBV vouchers. Dependent on HCV funding, Wayne MHA plans to Project Base 50-100 vouchers to improve lease up in the HCV program.

**Units with Approved Vacancies for Modernization.**

At this time there are no vacancies approved for Modernization. In addition, as units become available and are in need of comprehensive renovations, Wayne Metropolitan Housing Authority intend to request approval to renovate units utilizing Capital Funds, which will result in units being placed in "Approved Vacancy for Modernization" status.

**Other Capital Grant Programs (i.e., Capital Fund Community Facilities Grants or Emergency Safety and Security Grants).**

Wayne Metropolitan Housing Authority was selected to receive grant funding under the Fiscal Year 2024 Capital Fund Emergency Safety and Security Program as authorized by the FY2024 Consolidated Appropriations Act, in the amount of \$213,701. These funds will be used to install camera systems on 2 AMPs to reduce and prevent future crimes.
